

1st Course, 3rd Class

Monday, January 30

1. Homework: Similar to the previous 2 weeks.
2. We will go through all planetary pairs later. Today let's learn about aspects in VA and how Vibrational Charts help us see aspects.

$$12 = 2 \times 2 \times 3$$

5 is a "real" prime number.

The numbers 2 and 3 are like air and water.

Reinhold Ebertin in Germany added the semisquare and sesquiquadrate.

John Addey in England developed "harmonic astrology".

$$1/5 \ 2/5 \ 1/5 = 72 \text{ degrees}, \ 2/5 = 144 \text{ degrees.}$$

$$1/7 \ 2/7 \ 3/7$$

$$1/11 \ 2/11 \ 3/11 \ 4/11 \ 5/11$$

Hard aspects: 2 4 8 16 32 64 128 256

The larger the denominator, the smaller the orb.

We make all aspects occur equally often by chance.

The orb is calculated with this formula:

Divide the denominator of the aspect into 16.

What is the orb of a semisquare aspect?

What is the orb of a trine aspect?

The vibration is the denominator.

3 and 6 are soft aspects.

5 is organic flow

7 is introverted and quiet.

11 is restless and unstable

13 wants to be special

17 is interested in the stories of other people.

19 is pattern recognition (latest interpretation from the past 6 months).

Such a nice feature!

12:23:33 From Fei to Everyone:

Mercury Neptune can describe things in writing as if you can see it visually.

12:26:15 From Fei to Everyone:

Harmonic Charts are now called Vibrational Chart

12:45:27 From Fei to Everyone:

$\frac{1}{5}$ (one is Numerator) (5 is the denominator)

13:04:05 From Fei to Everyone:

Wow!!!

13:04:29 From Fei to Everyone:

He is going to be a scientist

13:04:54 From Fei to Everyone:

Wow, it is infinite indeed

13:05:20 From Fei to Everyone:

2 minutes

13:06:12 From julierader to Everyone:

Yes a little scientist for sure! He was excited to share his creation 😊

13:06:42 From William Robinson to Everyone:

that was really cool future engineer

13:07:15 From julierader to Everyone:

He loves engineering! Thanks William

13:07:37 From Ashley to Everyone:

I was just getting back, but that was so neat! 🤖

13:13:41 From Margaret J Kupferle to Everyone:

attracted to things from past

13:19:18 From Tamira to Everyone:

13:19:49 From Teresa Petrini to Everyone:

wants to play (5) with something fun (jupiter) and different

(Uranus)

13:20:08 From julierader to Everyone:

Can be in the moment and create something beautiful

13:20:26 From Fei to Everyone:

Use the keywords and create a sentence

13:20:33 From Margaret J Kupferle to Everyone:

loves big excitement in flow

13:21:15 From julierader to Everyone:

Excels with improv in the moment

13:21:22 From Fei to Everyone:

Spontaneous creativity

13:22:16 From Fei to Everyone:

5 = creative, Uranus - spontaneous: Spontaneous creattivityt

13:26:50 From Fei to Everyone:

Multiply the positions into 5

13:27:42 From Fei to Everyone:

Not to worry about the math, let the program create the VA charts for you. Some of you maybe stock in thinking about the math behind it. Don't worry about it

13:28:14 From Margaret J Kupferle to Everyone:

Must be about 72/360

13:28:30 From julierader to Everyone:

71 degrees apart

13:30:16 From Fei to Everyone:

$360/5 = 72$

13:33:11 From Fei to Everyone:

22 - 15 = 7 degree orb. We allow up to 16 degree orbs in Vibrational chart

13:33:54 From Fei to Everyone:

Sun is a luminary, it lights up Neptune giving clarity to what is being visualize or dream of

13:35:11 From Fei to Everyone:

These are 5 planets combinations:

13:36:35 From Fei to Everyone:

Mars is at Sun Uranus

13:37:11 From Fei to Everyone:

Pay attention to the darkest lines. Dark lines means SMALL orbs

13:37:34 From Fei to Everyone:

Spot those lines to do analyze charts quickly

13:37:44 From Fei to Everyone:

Then use the keywords for each planets

13:37:54 From Fei to Everyone:

Vibrational keywords

13:38:43 From Teresa Petrini to Everyone:

7

13:38:50 From Margaret J Kupferle to Everyone:

look at 7

13:38:52 From Pam Gallagher to Everyone:

go to 7th

13:41:25 From Teresa Petrini to Everyone:

no

13:41:26 From Ashley to Everyone:

No

13:41:32 From Margaret J Kupferle to Everyone:

I see 3 pairs

13:41:57 From Fei to Everyone:

Look at the DARK lines connected to each other

13:41:58 From Tamira to Everyone:

Mars Saturn Pluto Venus

13:42:01 From Teresa Petrini to Everyone:

thought you meant conjunctions

13:42:04 From Ashley to Everyone:

I was thinking as conjunctions at first whoops!

13:42:47 From Margaret J Kupferle to Everyone:

Mars/Jup to Ven/Plu to Mer/Sat

13:43:11 From Pam Gallagher to Everyone:

Mer Sat to Venus Pluto

13:43:28 From Fei to Everyone:

Saturn to Venus, Mercury to Pluto, these 4 planets are interconnected

13:43:50 From Margaret J Kupferle to Everyone:

Jup/Mars to Plu

13:44:29 From Fei to Everyone:

Come on everyone

13:44:31 From julierader to Everyone:

Mars/Jupiter to Pluto

13:45:40 From Pam Gallagher to Everyone:

so conjunctions don't stay together?

13:46:48 From Tamira to Everyone:

So Pluto Venus Jupiter would be a connection

13:47:46 From Tamira to Everyone:

Pluto mars jupiter

13:48:32 From Margaret J Kupferle to Everyone:

orbs are tight

13:49:38 From Tamira to Everyone:

Driven by passion and pushing the boundaries and feeling a sense of destiny ?

13:50:10 From Tamira to Everyone:

Uranus mars jupiter

13:50:15 From Pam Gallagher to Everyone:

Jup Mars to Uranus

13:50:15 From Margaret J Kupferle to Everyone:

Ur to Mars/Jup

13:50:16 From Ashley to Everyone:

Uranus mars jup

13:51:30 From Fei to Everyone:

VA Allowable orbs: Conjunction = 16 degree, Opposition = 8

degree, Square = 4 degree, Trine = 5 1/3 degree

13:55:12 From Fei to Everyone:

Mars Jupiter Pluto in 7 Vibe: Planned Joyful and large vision and will go for it once planned. When plan does not materialize it might be hard for her.

13:57:11 From Fei to Everyone:

Note that this is her inner self, 7 vibe. It has nothing to do with anyone around her. It is herself and nothing else

13:57:38 From Ashley to Everyone:

Deep dive

13:57:39 From Fei to Everyone:

Be careful, you might be accident prone

13:58:21 From Fei to Everyone:

Visualize the planets and aspects then create an image

13:58:51 From Fei to Everyone:

Mars Jupiter Pluto gives as sports activity

13:59:30 From Fei to Everyone:

Sun Neptune conjunction square Uranus, she likes to dance

14:00:37 From Fei to Everyone:

It is good to look at the Midpoint of a vibrational chart as

well

14:00:48 From Fei to Everyone:

It is hard to see a midpoint in a chart otherwise

14:02:11 From Fei to Everyone:

VA Allowable orbs: Conjunction = 16 degree, Opposition = 8 degree, Square = 4 degree, Trine = 5 1/3 degree

14:03:13 From Fei to Everyone:
